Invite a Friend or Business Associate

How about inviting a friend, neighbor or business associate to lunch with us? Did you know that Rotary encourages people who are retired as well as active business professionals to become members? Take a moment to extend a friendly invitation.

Let me get this straight... We passed a health care plan written by a committee whose chairman says he doesn't understand it, passed by a Congress that hadn't read it but exempts themselves from it, signed by a president that also hadn't read it and who smokes, with funding administered by a treasury chief who didn't pay his taxes, all to be overseen by a surgeon general who is obese, and financed by a country that's broke.

What could possibly go wrong?
