August 12 - Family Picnic - No Noon Meeting

Today's Program....

Keeping with this year's theme of "It's a mystery", we **MAY** have a talk about the Discovery Museum...OR we may have more new member talks.

Rotary Supports Our Troops

Dick Kent will be collecting today for our Rotary **Troops Care Packages**. Please show your support by donating to this fine project. **AND**, if you know of someone serving in Iraq or Afghanistan, give Dick their address and they will be added to our package list.

INVITE YOUR FAMILY & FRIENDS!

Our Family Picnic is **AUGUST 12th** and will be held right here at the Rotary Shelter in Jim Barnett Park. Fellowship begins at 5:30 pm and dinner is served around 6 pm. DELICIOUS BBQ Chicken, Corn-on-the-Cob, Fresh Tomatoes and other goodies are planned for the menu.

This event is for members, family & friends. Club members and children under 12 are free, guests are \$9. Come out and enjoy a relaxing evening.

Dan Martin, Chris Lewis and crew are looking for volunteers to help with preparation, serving and clean-up. A sign-up sheet will be circulated...we don't know when...that's another mystery!

Last Week

Last week without warning President Dick announced that Michael Stepniak, John Tyson and Carl Thomas would be giving their new member talks. They did fine without prep or notes!

Michael told us he left Australia when he was 15 to see the world. He currently lives in The Plains but is moving closer soon. He is a Dean at Shenandoah University involved with graduates and undergraduates in Music, Dance, Theater, Music Therapy and Recording.

John thought he would be exempt from his new member talk since he had been a member of our club years ago....**SURPRISE!** John is a retired Mechanical Engineer who worked in biological medical & agricultural research...another mystery! He is looking forward to a December wedding to an old flame he found on Facebook! He likes collecting and restoring antique cars.

Carl owns a local landscaping business "Blue Ridge Landscape & Design" which has been in Winchester for 19 years. He helped our club create the garden at NW Works last spring and kindly donated his time and plantings to the project. He is married with three children and enjoys fishing, boating and antique cars. He is also a very lucky fellow...not only did he win \$18 in our drawing last week but he won the giant Jackpot in May.

 Not to have tried is the true failure.."*
