Today's Program...New Member Talks

Another entertaining program...we will hear from a few more of our new members.

CAN YOU HELP?

MARK YOUR CALENDAR!
Our Family Picnic is coming up **AUGUST 12th** and will be held right here at the Rotary Shelter in Jim Barnett Park. Come out and enjoy a relaxing evening. Fellowship begins at 5:30 pm and dinner is served around 6 pm. DELICIOUS BBQ Chicken, Corn-on-the-Cob, Fresh Tomatoes and other goodies are planned for the menu. Club members and children under 12 are free, guests are \$9.

We need a few good volunteers to help with preparation, serving and clean-up....a sign-up sheet will be circulated.

Blood Drive

Tom Rockwood is organizing a Rotary Blood Drive for August 9th, 10 am-4 pm at the GW Hotel. He will need volunteers to staff the collection; shifts are 2 hours each. PLUS, we will need blood donors. Please help if you can. Re-hydration courtesy of Tropical Smoothies.

The quickest way to double your money is to fold it over and put it back in your pocket.

Last Week

Our own Phil Glaize and Trish Stiles spoke to us about the history and future of the Shenandoah Valley Discovery Museum. Phil began by thanking Rotary for the \$46,000 donation from our 2008 Kaleidoscope. Trish gave us an overview of the museum's search for a new location which began in 2000. Phil finished up with a look to the future and gave us an idea of the requirements for their new site. Thank you both for the update.

District Governor Visit

Rotary District Governor Pat Combs and her husband (1st District Dude) visited with us last week. She is making personal visits to all clubs in the District...getting to know us. She introduced us to **"Cowboy Logic"**

*If a Horse needs shoeing - shoe it.
If a Fence needs mending - mend it.
If a Job needs doing - do it!*

ACE REPORTER STILL NEEDED!

Lois Lane.....Clark Kent, where are you? The Cog-Wheel staff needs a back up reporter. Ability to use spell-check helpful but not a deal-breaker. Please contact Sue Rich, Chuck Gyauch or Dick Demorest if you can help.

Prayers Needed

Please put Dick Demorest on your prayer list. Doctors found a sarcoma tumor in his thigh when he was hospitalized in June. He will be undergoing radiation for a month to shrink the tumor before doctors attempt to remove it.

Our Newest Member

President Dick introduced our newest member, Jim Webb, for the third time. Take a minute to introduce yourself and welcome him to Rotary.

Our Drawing Last Week

Hunter Hurt won \$25 in our drawing last week...but, drew the 5 of Hearts. The Ace of Spades is safe for another week.

GSE Teams

We will be sponsoring Group Study Exchange teams to Bolivia and Tasmania. See John Lewis if you know of anyone interested in participating.

The GSE program is a cultural and vocational exchange opportunity for business people and professionals between the ages of 25 and 40 who are in the early stages of their careers. The program provides travel grants for teams to exchange visits in paired areas of different countries. For four to six weeks, team members experience the host country's culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships, and exchange ideas.

Visiting Rotarians Last Week

Rotarians with Guests Last Week

Sorry, our registration sheet listing the visitors and guests from last week disappeared so.....we don't know who was really here - another mystery.

More Cowboy Logic.....

- ~ The easiest way to eat crow is when it's still warm. The colder it gets the harder it is to swallow.
- ~ Don't interfere with somethin' that ain't botherin' you none.
- ~ Timing has a lot to do with the outcome of a rain dance.
