Last Week - New Member Talks

New Members introduced themselves to the club during the program:

Cheryl Thompson-Stacy has been in VA 1 ½ years as President of LFCC. She was raised in northeast Ohio. She graduated and worked at Kent State. From there she moved to Biloxi, MS (lived through Hurricane Katrina) and the Eastern Shore (VA) before relocating with her husband Larry to Virginia.

Court Pifer is a lifelong resident of Winchester graduating from Handley where he was Vice President and President of Interact Club, a 3 sport athlete which includes cheerleading. He continued his education and cheerleading career at JMU where he met his future wife Nicole. They have a one year old daughter. He and his two brothers own Pifer Construction. He volunteers with SPCA and Belle Grove.

Stuart Williams is a Georgia native. He went to school in Jacksonville, FL where he majored in Biology and Marine Science. After graduation, he found a career where he could make a difference in a young man's life by teaching him to play with knives and pee on trees – he is the Scout Executive, CEO for the Shenandoah Area Council, Boy Scouts of America. He and his wife Jennifer have three children (8 year old twins and a 4 year old).

More Cowboy Logic.....

- ☞ If you think you're too small to make a difference, try sleeping in a room with an active mosquito.
- ☞ People who are tough never have to tell you that they are. It's the same with people who are honest.
- ☞ Never miss a chance to shut up. Well-timed silence has more eloquence than speech.
- ☞ If you find yourself in a hole, the first thing to do is stop digging.
- ☞ Generally speakin'. You ain't learnin' nothing when you're the one doin' the talkin.
- ☞ Lettin' the cat out of the bag is a whole lot easier than putting it back in.
