Today's Program

Our own Sharen Gromling will be telling us about OUR HEALTH, Inc.

Last Week's Program

Rotary member Trish Ridgeway gave us an overview of plans surrounding the John Handley Regional Library 100th year celebration. It is hard to grasp but the Handley Library opened in 1913. The building had been complete for some two years but there were not enough books to actually open as a library. Much has changed since that time with additional libraries located in Winchester, Frederick County and Clarke County. Computers, books on tape, e-books, Friends of the Library are now a part of our regional library.

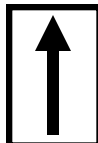

In celebration of the 100th anniversary, they are producing a beautifully illustrated book which tells the story of our library throughout these past 100 years. To help with the costs of printing, the Library is offering sponsorship spaces in the book along with other goodies such as copies of the book and an invitation to their celebratory gala.

If you would like to support this worthy project you can become a sponsor or purchase a book *or both*... see Trish soon, as it goes to publication in July. The purchase price is just under \$40 and only 1000 will be published in the first run.

Libba's Health Tip of the Week

Eat color, drink a little wine (or beer) and laugh as much as you can. These are all easy health tips!

However, not all health tips are easy or painless! Libba pointed out there is a vaccination which can help prevent Shingles. If you have ever had chicken pox, get the vaccination. The shot might sting but having the Shingles is far worse....just ask

Libba's husband Ed who is suffering now.

After your shot, have some wine and a good laugh, it's good for you.

Did you notice?

Our Ace Photographer Don Karolyi is out of town and no one stepped up to take photos last week. We could really use a few reliable people to step in when needed and take a FEW photos of the "goings on" at our meetings. You don't need a fancy camera...a cell phone will do. As an added *bene*, the Newsletter Committee manages to get things done with no meetings!! PLEASE, if you can help, contact Sue Rich or Don Karolyi.
