### Today's Program

Our speaker will be Carla Taylor of Winchester Department of Social Services, talking about a new program to which our club has recently committed some funding!

### Last Program (two weeks ago)

Tootie Rinker introduced Sarah Gomez of the Winchester Little Theater (WLT) summer camp for kids. This valuable camp introduces kids to the many aspects of creating theater productions. The kids are middle school to high school age and the program is supported both by our own club as well as district matching grants. The kids come from all walks of life and have a chance to participate in all aspects of theater production including set design/construction, acting, light and etc. The camp has been so well received that WLT has expanded to two productions this year, Snow White and the Seven Dwarfs and Conk Jr., the latter being a musical. Auditions will be held Mother's Day weekend, May 12<sup>th</sup> and May 13<sup>th</sup> with call backs on May 14<sup>th</sup>. Contact Sarah for details.

WLT has been active in our community for 82 years and typically produces 10-15 shows each year. All of this year's productions have sold out. WLT lends its 1000 plus costume collection to our area schools and makes itself available for group sales which extends its reach further into our community clubs and associations.

### Rotary Supports Our Troops

Dick Kent will be collecting today for our Troops Care Packages. We have sent well over 100 packages to date to soldiers protecting/defending our freedom.
