Today's Program

Both the James Wood and Handley High School Interact Clubs are with us today for our program. Thanks to Sharen Gromling for coordinating the program.

Last Week's Program

Carla Taylor, Director of the Winchester Department of Social Services, provided us with an excellent overview of the Fatherhood Program, a support group for fathers struggling with various issues, who want to make sure they have a positive impact on their children. Besides providing mutual support and camaraderie, these Dads also work to learn to deal with finance and employment issues, legal issues, relationships and co-parenting. Research shows that an involved Dad makes all the difference in child development, so this group of "Dads helping Dads be better fathers" is an important step to raising great kids. Seed money for expanding this program and starting new groups is being provided by Winchester Rotary. The success of this program is measured by surveys evaluating pre- and post- knowledge, skills and satisfaction.

ONE MILLION!

Ken Rice announced that the Community Foundation of the Northern Shenandoah Valley, started in 2001, has reached ONE MILLION DOLLARS in donations! The foundation goal is to build or gather a permanent endowment for our community. Gifts of any amount build our local strength. Rather than spend your gifts, we invest it, and grow its worth. Then, each year, earnings from investments are used to give grants and scholarships to charities and needy members of our community. For more information or to learn how you too can leave a legacy, check with Ken or visit online at www.CFNSV.org

PLAN TO BE THERE!

June 7, Shrimp Feed - MARK YOUR CALENDAR our Spring/Summer Shrimp Feed is coming up at the Isaac Walton Park.

Plan to be there...this is a members only **attendance meeting** with lots of great door prizes and country hams too! Trish Stiles could use some nice door prizes...if you, your business or group would like to donate something, contact Trish at triciastiles@senate27.com

Libba's Health Update

Looking for that perfect snack (besides pickled pigs feet)? Look no further than your microwave, because popcorn may just be the perfect snack. It is very low fat, and low in calories, plus the hulls are packed full of antioxidants and polyphenols. What that means for you is reduced risk for cancer and heart disease! So, grab some toothpicks and dig in...oh, air pop and forget the butter.

Please keep Byron Brill and Tuck White in your thoughts and prayers as they recuperate from recent medical troubles. Byron has been instructed to watch his stress levels better and Tuck is expecting some additional medical diagnostic tests.

ASK YOUR NEIGHBORS & FRIENDS FOR STUFF!

Our Rotary Rummage Sale depends on YOU! Take a few minutes to check your basement, garage, closets and cupboards for un-wanted items. Tell your family, friends and neighbors too! Everyone's stuff is welcome! You can drop items off at the Old Armory on Millwood Pike Monday-Thursday, 5-8 pm or on Saturday. **OR**, for those larger treasures, you can contact Marie DiLorenzo at (540)533-7064 and she will arrange a pick up.

June 9th is the date... the old Armory on Millwood Avenue is the place. This year's sale will benefit the Fremont Street Nursery & Winchester Day Nursery. Thanks to all who have already donated items. We have filled one trailer and are working on a second! **Please, we cannot accept bedding, computers, dehumidifiers, outdated or damaged items.**

OUR LAST DRAWING

Dee Dee Barbou won \$19 in the drawing...but pulled the 10 of Spades leaving the jackpot for another week. Today it starts at \$322.

Foundation Minute

"Every Rotarian, \$100 every year." That's the battle cry for the Rotary International Annual Fund. And way to go, Winchester Rotary, because although we were 3rd place in our district at \$136.41 per member. This represented the highest total club contribution out of the 84 district clubs.
