### Today's Program

Rotary is rolling out a new Grants Management program in July called Future Vision. **Dave Hardy**, Chairman of the District Future Vision Committee will be here to educate us on this important Rotary International initiative.

### Last Week

**Jason Wright**, a widely published author, introduced us to his latest book, "The 13<sup>th</sup> Day of Christmas". This is a fictional adaptation of his memories of a Christmas tradition from his childhood. His family would identify someone facing difficulties during the holiday season, and secretly deliver a series of gifts to them from the 12<sup>th</sup> through the 24<sup>th</sup> of December. That covers the Twelve days of Christmas, and the book will reveal what happens on the 13<sup>th</sup> day. Jason shared the little known fact that the 1<sup>st</sup> day of Christmas's Partridge in the pear tree was actually David Cassidy, aka Keith Partridge. Perhaps there is a Danny Bonaduce and Susan Dey in there, too.

Mr. Wright's message was that we should dedicate ourselves to preserving and continuing our own family Christmas traditions.

### No More Dec. Meetings for Winchester's Latest

Winchester's Latest Rotary will not be meeting at Piccadilly Public House until January 8th, so don't try to do any more make-ups there in December!

### Your Name Rings a Bell—or at least it should!

Watch for the sign-up sheet and get your bell-ringer out next Saturday, December 15th to Belk and JC Penney for a 2 -hour shift. The Interactors are setting the pace—show them *and* the Salvation Army your support!

### It's the Most Wonderful Time of the Year

One of our own favorite Holiday traditions is the party we host every year, during the last meeting before Christmas, for kids from the Evans Home. This year there are nine children so far, and there may be another six added. See Trish Stiles to sign up to help as a shopper. Collections start today to raise money for the gifts.

### Elections Coming Up Next

**Visitors and Guests - November 29th**

The Editor-not-so-much-in-Chief regrets that he doesn't have a visitor/guest list from last week, but the good news is you'll get double your pleasure *next* week. (That is, assuming someone still have the sign-in sheet...)

**Our Drawing - November 15th**

Dan Martin didn't draw the Ace of Spades, but he did win \$22. The pot stands at \$476 today, so expect a lot of competition—and probably a long, entertaining drawing...

**Wheelchair Project**

Thanks to Byron Brill for his generous matching offer. He matched every Winchester Rotarian's \$37.50 contribution through November 29th, resulting in a total of 76 wheel chairs funded as of last count during last week's meeting. The club goal is 100 chairs by June, but at this rate we are sure to far exceed that objective. The cost of a wheelchair is \$75

**Coats for Kids**

Today's newly-colder weather should make you sensitive to the needs of those kids in our community who are under-protected from the elements. Our club ordered 270 coats this year at a cost of \$4200. Please sponsor a coat (or more) yourself at a cost of just \$15.56 each (you can always round up to the nearest \$50.) Our Interact Club members have already collected some of that money at Sonic and your gift will ensure that a needy child in our area stays warm this winter. Currently coats are distributed through CCAP but we are seeking other distribution sites as well.

**Next Board Meeting - December 13!**

(No Board Meeting in November)  
at the George Washington Hotel - 6 PM  
All are invited to attend board meetings,  
*and it counts as a make-up!*

**Health Report**

Sue Rich is having heart valve surgery, a popular procedure with Winchester Rotarians. This will be done at Duke University Hospital, and she will be recovering at her brother's home in Raleigh, NC. Get well cards and defamation lawsuits can be addressed to:

Sue Rich

Libba Pendleton advises us to get accurate pedometers so that we can track our progress at achieving the ideal 10,000 steps per day. Walking burns calories, improves sleep (don't do this while walking), and reduces stress.

**Rotary Yearbooks Are Here!**

Yearbooks are here for pick-up today. Everyone did their best to get accurate info, but if you find a change or error, there's a form in the book to fill out or e-mail our club secretary Netty Hottel at [InterNetty14@aol.com](mailto:InterNetty14@aol.com). **Because of all the personal information in the book, PLEASE shred or return your old Yearbooks to the Sergeant-at-Arms Desk for recycling.**
