Attendance Issues? The Golf Committee Can Help

Last Week's Program

Attending past presidents of the club (dating back to 1972) passed the gavel down to Don Louque following his swearing in ceremony. To the club, he said, "Thank you for allowing me to serve." Don enthusiastically detailed his objectives for a new year. He will endeavor to increase community awareness

of what the club does through concerted PR efforts. These efforts are also aimed at bringing in new members. Don seeks to find new ways to use technology to improve club management and make the best use of resources. As such, there will be no directory printed this year. (An information update will be printed, but members should use the website for member contact information.) Don invites any and all ideas relevant to increasing membership or any other club endeavor. He wants to carry on our tradition of service while encouraging fresh and innovative ideas.

For Darla's last meeting as president, she reviewed what the club has accomplished this year. In addition to working on projects such as the Hands Against Hunger event and endeavors to help improve sanitation in the Sudan and Bangladesh, we gave a collective \$34 thousand to the Rotary Foundation last year. Even more impressive, we raised \$150,000 and gave \$100,000 back to good causes in this community. "I am proud to be a part of this active club," Darla said. "Being President of the Winchester Rotary Club has been an once-in-a-lifetime opportunity, and I am grateful I had the chance to do it." The club is grateful for Darla's service!

Assistant District Governor Anita Bryant was on hand to thank Darla for her supportive efforts and exceptional service. We all look forward to seeing her at our lunch tables again!

Welcome New Members!

We proudly welcomed two new members into the fold at our last meeting. David Frew and Mezut Yavuz joined our ranks. Also, members were once more reminded to welcome new members John Elrick and Neile Martin.

Libba's Health Report

Libba wanted everyone to know about two of our own who could use our thoughts and prayers. Wade Johnson had surgery recently to prepare him for the start of his dialysis treatments. Also, keep Jimmy Gordon in mind as he is having some troubling issues with his health.

Her health tip reminded us that mosquitoes are excited about our summer barbeques and outdoor events. Here is your fun fact for the day: one way to help with the itching from bug bites is to rub a banana peel on the affected area. (Libba says that you'll have to let her know if it works!)

Foundation Minute

Several new and multiple Paul Harris Fellows were honored at our last meeting! Please take a moment to congratulate the following folks: David Chandler, Franny Crawford, Anthony Crosen, Adel Guirguis, Marty Tabaka, Bob Mitchell, Dave Smith, Bill Bayliss, Cary Brubaker, Terry Sinclair, Tom Byrd, Hunter Gaunt, and Conrad Koneczny. Erik Beatley accepted a pin on behalf of Joe Allen, an adamant supporter of the Rotary Foundation.

Publicize Your Rotary Event!

If you are organizing a Rotary event or fundraiser and you need a hand with raising awareness of that event, contact Victoria Kidd. She has recently been tapped to assist with public relations for the club and would be happy to help spread the word about all the good this club does for the community!
