**Libba sez** - If you are going to be outside and will be around poison ivy, carry a spray bottle of 2 parts water and one part rubbing alcohol. Spray it on the affected area as soon as possible. The alcohol will help dilute/dissolve the poison ivy plant oil to help keep it from spreading and absorbing into your skin.

### Last Week's Program

We did some catching up with a few of our new members:

#### **Neile Martin**

Being involved in her community is a passion for Neile, who is the HR manager for Yount, Hyde & Barbour in Winchester. She hasn't always worked in HR, however. After graduating from Boston College and Northeastern, She bought a restaurant and fish market in Marblehead, MA. She has 2 children and her husband, Stephen is a Deputy Sheriff for the City of Winchester.

#### **Mary Braun**

Mary's passion is education, and early in her career she worked as an educator overseas. She is also certified in conflict resolution, which may come in handy when there is only one piece of Salisbury steak left in the buffet line. Mary is also passionate about community service and is the new director of the Discovery Museum.

#### **John Elrick**

John is a self-proclaimed serial entrepreneur, and is passionate about small business. He has started numerous small businesses, and has turned his passion into a consulting role to other small businesses to help them thrive, as they are at the heart of America. John has been married for 18 years and has two children.

### Foundation Minute Plus

Konrad reported that Ron Burton, the new President of Rotary International (in his article in the July issue of the Rotarian), spoke to what can be done as we embark on what was known as the Future Vision Plan, which is now the **New Grant Plan**. Basically he tells us *"It gives us the opportunity to do the absolute most we can, with all our resources."* Our motto for this Rotary year is **"Engage Rotary, Change Lives."**

In addition, D. K. Lee, The Foundation Trustee Chairman, in the same issue outlines the four goals of The Foundation this year. →

#### **1. Eradicate Polio, and we are getting very close.**

a. Ongoing effort

#### **2. Build ownership & pride in "our" Foundation.**

a. Ownership begins with contributions, then the pride will follow

#### **3. Launch our grant model**

a. Our old Future Vision plan

#### **4. Engage in innovative projects.**

a. With more contributions, more innovation is possible.

Again, **"Engage Rotary, Change Lives"** by Doing Good in the world.

**FAMILY PICNIC - Can you help?**

Dan Martin is again in charge of our Family Picnic scheduled for August 8th...right here in the park. It starts with fellowship at 5:30 and dinner around 6 PM. There will be no noon meeting that day. Friends and Family Welcome!

Dan needs some help with set-up, serving and clean-up...please, if you can help, see Dan...(and, yes, you get a make-up!)

**Last Week's Drawing**

Congratulations to John Lewis, who pocketed 11 bucks but failed to draw the Ace of Spades for the jackpot, picking the Ace of Clubs instead. Sorry John, close only counts in horseshoes and hand grenades...today's winner has a chance at a \$50+ jackpot.

**Golf Tourney**

The Golf Tournament Committee still needs some worker bees! So if you are interested in being on that committee, please let President Don know.

**Reporters Needed Too**

We need a couple of CogWheel Reporters. If you have a passion for writing, (or need a make-up) please see Sue Rich. Each tour of duty is for one month of meetings and you are asked to be reporter about twice a year. And do you know that during those two months you actually listen to the programs.

**Welcome New Members**

President Don introduced our newest members David Frew and Mezut Yavuz. Please take a minute to introduce yourself to them and welcome them to our club.

If you too would like to help, see Rabbi Brown or Don Louque.
