This is an attendance meeting soooo, if you are not here, not only will you miss out on some awesome BBQ chicken, corn-on-the-cob, baked potato, fresh tomatoes & peaches, ice cream & dessert (*more for the rest of us*) but, you'll need a make-up too!

If you can, come early to help or stay a bit after to clean up....there's always plenty to do and it will be appreciated.!

Rummage to Riches

Rummage Sale head honchos, Chris Lewis and Julia Connell were on hand to present a check for \$9,000 (from the proceeds of the June sale) to Heather Foreman, Director of the **Boys & Girls Club**. The gift will be used to support programming for the 400 club members

Last Week's Program

Kart-ology! Jens Scott brought us a very interesting program about Summit Point Kart, and explained the difference in what you ride at amusement parks vs. what will push you to 70+ MPH while sitting one inch off the ground! Providing people with the opportunity to feel what it is like to actually race, Jens organization isn't for the faint of heart. His super-fast karts have become magnets for karting enthusiasts, and he even has folks who fly in from out of state to get the sensation.

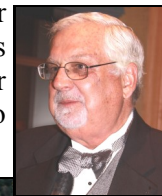

For many, karting has become a sport for those who don't already have one. It's a great way to introduce kids to things not digital as well. Jens also has used his organization to assist others with fundraising. With a zero injury rate, Jens is serious about safety, and intends to keep it that way by making sure drivers are mentally prepared.

Our Great Loss

This past week we lost two valued members...Harry F. Byrd, Jr. and Tuck White, pillars of the community and outstanding members of our club. Our lives were richer for knowing them, our club was stronger for having them as members, and our hearts are heavier for having to say goodbye to them.

For those that can make it, Tuck's Funeral is tomorrow, August 2nd at 2:00 PM at Christ Episcopal Church, 114 W. Boscawen St. Winchester, VA.

Thank you Shaffer's!

A very special **Thank You!** to Shaffer's for our tasty picnic lunches this summer-in-the-park.

Last Week's Drawing

Marty Tabaka won \$15 bucks, but drew the 9 of spades. Got your ticket? Do you feel lucky?...today's winner has a chance at a \$65+ jackpot.

**Health Report**

Jeannie Shiley is recovering from an elbow replacement re-do. It was great to see Wade Johnson back. Al Toxopeus is doing very well.

**Golf Tourney**

The Golf Tournament Committee still needs some worker bees! So if you are interested in being on that committee (and earning some make-ups), please let President Don know soon.

Lois & Clark are you out there?

You won't need a phone booth...

.....and we won't make you change clothes! Although Wes has been known to type the entire weekly report on his phone. We need a couple of CogWheel Reporters. If you want to be published, (or need a make-up) please see Sue Rich. Each **tour of duty** is for one month of meetings and you earn a make-up for the month. Funny, you'll find you actually start listening to the programs.

**Rotary Foundation Update**

The rules have changed for relatives who may receive benefit from the Foundation. Grandchildren are now eligible. For more information on this important change, or any other Foundation factoid, contact Conrad.

5K is back!

Our Rotary 5K has been in limbo since 2010 and many people in the running community are hoping for its return. Rabbi Brown is overseeing the revival of our race and several club members have volunteered to assist him. The next 5K will be held in April 2014. If you would like to be a part of this, see Rabbi Brown or Don Louque.

**Group Study Exchange**

The District is looking for team leaders to lead a group exchange to Australia in 2014. They are also looking for team members, ages 25-40, who are not a Rotary Club member nor related to a Rotarian. If you are interested in leading the group or have member suggestions, let President Don know.

Welcome New Members

President Don introduced our newest members David Frew and Mezut Yavuz. Please take a minute to welcome them to our club.

**Speaking of NEW MEMBERS...**

President Don reminded us that we are a whole month into his Rotary year as President and there have been no new members inducted.

Seriously, Don's objectives for this year include increasing community awareness of our club and to bring in new members. Take some time to talk it up to friends and associates you think could be assets to our club.
