Our Program Today

Roy Menefee from the Winchester Rescue Mission will talk about the recent big changes announced at the Rescue Mission and what they mean to our community.

Health Report

Libba reported all is well with our club and advised us to eat dark chocolate if we had Easter sweets in mind. April is Stress Reduction Month - among other things (*Ed. Note: I couldn't read my own writing, but further investigations revealed that it's also Alcohol Awareness Month...*)

Foundation Minute

Conrad was back to point out that our club's giving is now up to \$38,357.02 to the R.I. Foundation and continues to lead the District 7570 pack. He asked for a few volunteers to get us up to \$40,000 by year's end and got three noble individuals on board. Chalk up another victory for Rotary support worldwide!

Apple Blossom Float Riders

We're still in need of a few more young-uns to ride our club float in next Saturday's Apple Blossom Parade. It's a great way for kids to be part of the excitement—and a great place to watch the parade! See President Don for details.

Winchester's Latest Rotary

We are sorry to note that Winchester's Latest Rotary Club has voted to disband. President Don has invited it's members to join our club *doing good in the world.*

Last Week's Program

We heard from two more "20+" members, meaning club members with more than 20 years in our club.

Irv Shendow is a Handley grad, where he played football and got into trouble with classmate Tom Baker. He also played football at UVA and studied aerospace engineering. He joined the Air National Guard, which took him on weekend trips all over the world. It was there that he heard the great advice to "surround yourself by people smarter than you are." He headed up the Downtown Development Board back in 1970 and led efforts to convert the downtown into a walking mall. He joined Rotary in 1973 at the behest of his best friend Baker and served as President in 2005. One of his proudest accomplishments in the club was being one of the three founders of our annual Kaleidoscope fundraiser, a venture that began with... what else? A broken kaleidoscope.

Byron Brill is a graduate of Strasburg High School and Bridgewater College. He had the distinction of being "Draftee #2" in the early 70's, which prompted him to stay in school! He spent six years learning the dental trade and joined Rotary in 1980 under T.C. Powers. After years of doing make-ups in Strasburg, he now attends both the Winchester meetings and Strasburg meetings almost weekly. He's proud to be a member of "the biggest club in the district," and pointed out that it's a lot for our club to live up to. He served as club president in 1990 and ascended to District Governor in 2007-08. (He says once you're DG, that's a post for life...) The best part of Rotary, he says, is seeing the grass roots efforts to do good in the world.

Rummage Sale - June 7th

You know the drill -- the one that's been sitting on your workbench for the past five years, gathering dust? Donate it and everything else you're too cheap (or Earth conscious) to throw away, to our Rummage Sale on June 7th. This year's beneficiary is **Faith in Action**, a local non-profit that provides transportation to patients in need. Unwanted "treasures" can be left at our trailer at Frogale Lumber, 220 Arbor Court (or contact Chris Lewis to arrange for pickup at your home). Please also sign-up to help organize our stuff in late May and to sell it on June 7th! We also need laborers both before and at the event, so please sign up today!

Have you turned in your Membership Update Form?

HELP US! This is a complete update for **ALL MEMBERS** to keep our Rotary web-page info, Rotary International and the Yearbook correct. You can drop of completed forms at the Sergeant-At-Arms desk. There are blank forms available also. **ONLY 30 completed forms have been received to date!** If you don't return your form, don't complain if your information is wrong in future Rotary publications.
