Today's Program

Scott Patchan, a Board Member with Kernstown Battlefield, will provide us with a timely presentation on the 150th Anniversary of the Battle of Kernstown.

Foundation Minute:

Conrad Konecny was back to deliver the news that with grants from the Foundation, a team from the Rotary Club of Nashoba Valley Massachusetts, along with a team from Tufts University School of Dental Medicine went to Santo Domingo. Working with local Rotary clubs, they conducted a free dental clinic for 150 patients. This effort showed sustainability by leaving behind a Rotarian run mobile clinic on a truck outfitted with donated equipment for dental health care and training.

Banner Presentation

Jonathan Snowden presented the club with a banner from the Rotary Club of Englewood Florida. Jonathan attended a meeting at their club during his travels in June.

President Dan reminded members that we have plenty of our very own beautiful club banners. When you plan to attend another Rotary Club's meeting pick one or two up to exchange.

Apple Harvest Arts & Crafts

Yes, it's time to begin planning our spectacular fall festival. There will be a short Arts & Crafts meeting after our meeting next week. Anyone interested in joining the "crew" is welcome to attend.

Our Program Last Week

Carrie Stuby, U.S. Army veteran and retired police officer and Wilanett Rodgers, U.S. Air Force retiree, spoke to us about the Disabled Veterans Outreach Program. The program's mission is to reduce the level of unemployment for disabled veterans within our community.

Working with the Virginia Employment Commission Stuby has created a recruitment database linking unemployed veterans with job postings from participating employers. Rodgers manages the data base.

Stuby felt the need to dispel the misconception by employers of who a disabled veteran is. She underwent five surgeries following a trailer collapse during her service and went on to a successful career in law enforcement.

Stuby states that their data base has 200-250 veterans listed but hopes to see that total grow with many more disassociated unemployed veterans in the area. Stuby believes in meeting face-to-face with employers to determine if the employer and job listing are worth including in the data base.

Continuing that theme of face-to-face interaction Stuby partnered with Lord Fairfax Community College and created a Veterans conference job fair this past January getting 34 local employers to participate. In addition to putting numerous disabled veterans in contact with perspective employers, resume writing seminars were conducted and the Martinsburg Veterans Association helped register veterans for benefits.

Stuby is planning a second job fair on September 25th again with LFCC as a partner and hopes that it is bigger and better than the first.

Libba's Health Report

Dick Wiltshire continues to improve and went out for lunch and some shopping last week. When asked if he would be able to attend our meeting he thought it best to remain in the air conditioning.

Doc Madagan continues to improve and left rehab last week. But he will be closing his shop and concentrating on his recovery.

Former District Governor, Eric Adamson of the Front Royal Rotary Club has been moved from a hospital in Virginia Beach to one in Richmond.

Libba's Health Tip: Test your balance by placing one foot in front of the other, cross your arms, close your eyes and count to 50. If you don't make it to 50 see Libba for some balance exercises.

A little thought and a little kindness are often worth more than a great deal of money..
