Rummage Sale Presentation

Rummage sale co-chair Chris Lewis recapped the June sale that was a “huge success and a huge amount of labor.” Chris thanked the core group who devoted their time and effort 3-5 hours a night, 5 nights a week for 3 weeks. The sale had a net profit of \$10,500. Chris presented a check in the amount of \$7,878 to Nancy Feldman the executive director of Faith in Action. Feldman said the donation will be used for the organization's core mission - to help transport individuals in need to medical appointments.

FAMILY PICNIC

Marc Jaccard announced the Club's family picnic, to be held on August 7th, is an all-hands event and sign-up sheets will be circulating during our July meetings.

Our Program Last Week

Scott Patchan, a board member with Kernstown Battlefield Association and published author gave a very informative presentation on the upcoming 150th anniversary of the Second Battle of Kernstown.

Kernstown

The Kernstown Battlefield Association is a non-profit corporation run by a staff made up entirely of volunteers and supported through membership and donations.

July 24th marks the 150th anniversary of the Second Battle of Kernstown. On Saturday, July 19th the association will host a bus tour of the days leading up to the battle as well as the Kernstown Battlefield property itself. Patchan will lead the tour.

He gave us an overview of the narrative of the tour and the importance of the battle in the context of the entire war and the 1864 presidential election. Led by Lt. Gen. Jubal A. Early the Confederate troops routed the Union army at Kernstown inflicting 1,200 casualties upon Maj. Gen. George Crook's forces while only suffering 200 of their own. It has been described as the most easily won battle of the war.

The bus tour will be a wonderful opportunity to experience The Kernstown Battlefield on the Pritchard-Grim Farm as well as many other pristine and seldom seen sites such as Rutherford's Farm and Hupp's Hill.

Foundation Minute:

Conrad Koneczny's foundation minute informed us that 20% of all the people who live in Zimbabwe do not have access to suitable drinking water. A native of Zimbabwe who is a member of the Rotary Club of Syracuse, NY went to work. Her club cooperated with the Rotary Club of Belmont, Zimbabwe and with help from the Rotary Foundation drilled four borehead wells. These wells now provide 3,000 people with clean water.
