Today's Program

Neil Connors, Executive Director of the Winchester Rescue Mission will be speaking to us.

You're Help is Appreciated!

Tom Baker thanked all of the Rotarians who helped with **Camp Fantastic** for the last 27 years. He also would like to point out that he is a painter and he is not sure what that has done for his brain. (See Libba's Health Tip on back).

Foundation Call for Service

Byron Brill shared that his service as District Governor all started when Bill Bayliss asked him to join the local club's board. This eventually led to his work with the Foundation and ultimately District Governor. Byron is one of three local members to serve as District Governor. As the largest club we should have more who serve in this role.

Foundation Minute

Under the Foundations new team structure we are organizing a trip to Jamaica leaving next Fall. Accommodations are beach front and just \$60/night. Please think about folks we might recruit for this trip. See Byron for more information.

The Rotary Foundation...

doing good in the world.

Our Program Last Week

Rule of 85 (age + years of membership) club member Gene Schultz spoke to us about the upcoming **Apple Harvest Arts and Crafts Festival** being held September 20th-21st from 10 AM to 5 PM.

This is our 40th year hosting the festival and we have raised over \$850,000 for worthy community charities. This is truly a signature event for our club. Gene has been chair of the festival 18 times and has had ALL the weather experiences one would not hope for. Somehow we make it thru each year with a handsome sum. Thank you Gene for taking the lead for such a long time! Most of the money raised is thru ticket sales, but also the crafters pay a fee to participate and National Fruit pays a lead sponsor fee.

To make it all happen requires over 125 workdays, all provided freely by club volunteers. This is an **All-Hands-On-Deck** event for our club so please make every attempt to volunteer. Whether it be parking management, collecting \$ at the admission gates, or clean up, we need you. **Please sign up to help ASAP.**

ALSO, Posters are available at the Sergeant-At-Arms table...please take one or two and hang in your place of business or other prominent place.

Libba's Health Report

Eric Adamson is home but unable to take care of his wife. She has moved into a care facility, but expects to return as Eric recovers.

Tricia Stile's sister in law has recovered enough to worry about her looks when she goes to doctors' appointments. Her granddaughter Reese improves but in very small increments. She recently had three additional surgeries and you can imagine her health care costs have gone thru the roof. If you'd care to donate towards these bills, a fund has been set up at Capital One Bank, 12806 Shank Farm Way in Hagerstown, MD 21742. Please make checks payable to Patricia Stiles & Reese Burdette.

Health Tip of the Week:

For less chance of brain issues later in life we all know not to smoke, to eat certain foods and work puzzles. A new study suggests that being engaged in the arts reduces the risk of developing dementia by as much as 75%. So paint, write poetry or play an instrument, it's all good for the brain.

Our Drawing Last Week

No, Dick Wiltshire wasn't really the lucky winner of \$18, (he was holding Nancy Davis' ticket for her) but he didn't find the Ace of Clubs for her so.....the jackpot of \$177 remains untouched.
