Today's Program

Kevin Anderson, baseball coach at Shenandoah University, will recap this last season and give us a glimpse of what's coming up.

A Message from our President:

The Apple Harvest Festival is our only fundraising event where the proceeds are not designated for a specific beneficiary. Funds raised here are used to help community-wide with requests that come before the Community Service Committee. Real needs but not large enough for their own fundraising event or to meet immediate needs.

After 40 years this event needs refreshing. A steering committee has been working hard to revamp it; keeping and enhancing the more current parts and adding new venues.

We are now in a place where we need more committee members and that is why I am sending out this invitation. I know many of you are involved in other aspects of our club but there are also many who are wanting to become more involved.

Apple Harvest 2015 is moving to the Frederick County Fairgrounds. We will have a meeting at the Fairgrounds for current and new committee members this Monday, July 20th at 6:00pm. A box dinner will be provided. You will have the opportunity not only to hear about the event and its additions but also to see the grounds layout.

You are all invited to attend. In order to provide dinners, I will need your response to attend no later than Friday morning. Please email me at tootie1222@gmail.com or call me at 540-247-8035.

Please consider being a part of this important committee.

Our Program Last Week

Ralph Bayfield regaled us with tales of his youth. (One thing you can say for Ralph Bayfield -- other than the fact that he refers to himself in the third person -- is that his life hasn't been boring!)

Ralph is a former member of the Rotary Club of Collegeville, PA, which he discovered had a 32-year history of perfect attendance when he joined, leading to his resignation.

(His wife gave him the choice of Rotary or her -- we're not sure what his re-engagement with Rotary says about that...)

Ralph's parents enjoyed great success as college athletes (his mother was the first female letterer at Penn State -- in 5 sports, no less -- and his father was the treasurer of Campbell's Soup Co. -- don't ask Ralph how they made tomato soup back in the day...) Ralph played football in college with Lamar Hunt, who went on to found the American Football League (AFL), which eventually became the AFC, or one half of the current NFL. He also played with Rosie Greer and several other notables and even coached Tim Tebow to a state championship, despite Tebow's refusal to change his throwing technique.

Although he originally wanted to be a medical doctor, Ralph spent a year camping through Europe before he felt a calling to join the ministry. He was ordained in Shanghai and served from Richmond, VA, to Selma, AL, even taking time out to study architecture at Cambridge. We're happy that his travels finally brought him to Winchester and our club!

Gulliver's Travels

Jonathan Snowden presented several flags from his Rotary visits in Florida over the past month. He continues to be impressed by his travels throughout the US, but is always happy to get back to the great folks of Virginia.

Family Picnic

Dan passed out a clipboard to sign-up volunteers for the three working shifts at our July 30th Family Picnic: 12-2 pm (set-up), 5-6:30 pm (serving), and 7-9 pm (clean-up). Watch for the clipboard today and plan to join us -- this event is your one big chance to bring your family for some great chicken and super socializing.

Golf Tournament

Don Louque announced the beneficiary of this year's golf tournament (on Columbus Day, Oct. 12th at Winchester Country Club). It will be the **Lord Fairfax House** in Winchester, which is a 12-step program and part of the Council on Alcoholism Lord Fairfax Community. See Don to sign-up as a golfer, a sponsor, or a volunteer!

DID YOU KNOW.....

Many Japanese golfers carry "hole-in-one" insurance, because it is traditional in Japan to share one's good luck by sending gifts to all your friends when you get an "ace." The costs for this "LUCK" can often reach \$10,000.

REPORTERS & PHOTOGRAPHERS STILL NEEDED

You don't have to be Clark Kent, Lois Lane or Jimmy Olsen! Really, it's not that hard! CogWheel reporters & photographers take one month turns and even get a makeup! If you would like to help, see Sue Rich (reporters) or Don Karolyi (photographers).

If you stretch a standard Slinky out flat it measures 87 feet

Libba's Health Report

Libba welcomed back George Henzel, who continues his treatments for lung cancer.

Libba's Health Tip

Libba had another number to share this week: 10. That's the maximum percentage of your total weight you should be carrying in the form of a purse or other satchel. In other words, if you weight 150 pounds, your purse, laptop, back-back, etc. shouldn't weigh more than 15 pounds - otherwise, you'll be doing damage to your body. So ditch the anvil...

Our Drawing Last Week

Cary Claytor was the lucky winner of \$23 (sometimes arriving late pays off!), but the real fortune of \$119 eluded her when she drew Jack of Clubs. The jackpot starts today at \$119....did you get a ticket?

Little known Cathedral Caverns near Grant, Alabama has the world's largest cave opening, the largest stalagmite (Goliath), and the largest stalagmite forest in the World.
