### Mark Your Calendars....

**TONIGHT** - Board Meeting, GW Hotel, 6 pm

**Oct. 1** - Member/Spouse Shrimp Feed, no noon meeting

**Oct. 12** - 12th Annual Golf Tournament

*Have a program or speaker suggestion? Let Scott know.*

**Today's Program** - This week in Rotary we will have a "Club Assembly." We will be talking about our **Coats for Kids Program**, and will have members of our Interact Club in attendance.

### NO NOON MEETING NEXT WEEK...

Don't forget that we will not have a noon meeting next week because we will be at the Member/Spouse Shrimp Feed that night at the Isaac Walton League Park on route 50 East of Winchester.

### Apple Harvest Festival

**We made the right move!** Gate proceeds indicate over 6,500 in attendance.

Thanks to all the committee chairs...**Paul Burkholder** (Parking) working injured but still pulled it off with his

great crew, **John Lamanna** (Gate) working diligently to get the people in and keep the wait to a minimum, **Lori Vogel** (Queen of Bingo) and her team of card sellers, along with **Nadine P. & Wilson Gilbert**, who were Bingo callers and could give up their day jobs, pulled off our first time ever Bingo games! **Jim Robinson** (Apple Theme Booth) with all his helpers built a spectacular looking Apple Theme Arena, handing out free apples, apple juice and apple cider...plus selling apples non-stop! **Tricia Stiles** and **Debbie Langfitt** (Apple Pie Baking) pulled off an almost "not happening" apple pie baking contest at the 11th hour! **WAY TO GO! Cary Claytor & Jean Barch** (Kids Zone Area) along with **Handley's Interact Club** setup a playground with face painting and inflatables.

New this year was **Paul Frank's** Antique Car & Truck Show where almost 50 cars cruised in for the festival. **Tom Maccubbin** (Tap & Cork) and crew made up of several past club presidents who's motto is "drink all you can and sell the rest" was also new this year and actually ended up in the black (at precisely 2pm on Saturday). Tap & Cork was well attended and expansion is in the works for next year!

### Our Last Program

Don Jones was our presenter last week, and he led us through the fascinating story of his life and adventures. (It seems that the letter "W" has played an important part in his life. Those in attendance will know why, and those who missed the program should ask!)

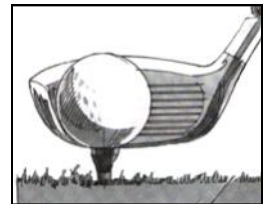

Jones is a man defined by faith and service. From time spent as a military chaplain to distinction as the creator of a television program that captured an audience of more than 10,000 each week, he has led a life filled with interesting stories related to one of these two defining characteristics. His work led him to service on both coasts of the United States and to a position in church administration that is similar to a Bishop's role in the Catholic Church. He served many parishes and congregants along the way.

He joined Rotary in 1973, and at one point he had 20 years of perfect attendance to his credit. He believes that Rotary's ideals coincide with his personal values, and he asserts that he is honored to be a Rotarian. When you see him around, be sure to thank him for his long service.

### 12th Annual Golf Tournament - October 12th

**YOU can sponsor a hole this year for as little as \$100!**

Don Louque reports there are still plenty of opportunities for sponsors and a few team spots open! This year's beneficiary is the **Lord Fairfax House in Winchester**, a 12-step program and part of the Lord Fairfax Community Council on Alcoholism.

Of course, **Gene Schultz** (Logistics) and his team start way before the festival begins with planning, setup, execution and tear down. **Chuck Peterson & Dave Smith** (Entertainment) who stepped-up the live entertainment and sound system. **Julia Connell** (Treasurer) and **Chris Lewis** (Dash for Cash) for being collectors and counters of the cash. **A BIG THANK YOU TO ALL WHO ANSWERED THE CALL TO HELP!** We could not have done it without you! Thanks for giving up your busy weekend to support

Rotary and the Apple Harvest Festival! Don't forget to turn in your floating make-up. Mark your calendars for Sept. 17 and 18, 2016...never too early to start planning, right?

**Phil Sprenkle Award**

John Lewis is seeking nominations for the Phil Sprenkle Award. This award recognizes a mid-career professional and is bestowed every year at the annual awards banquet. See him for details.

**Coats for Kids**

John Tyson is looking for a few good volunteers to help with Coats for Kids. We are expecting to acquire & handout 350-400 coats this year.

**What's in the Club's Mailbag?**

We recently received several letters thanking us for our support of local organizations, including the Free Medical Clinic, the Child Stafe Center, and the Winchester Rescue Mission. While we don't do what we do for the praise, it's nice to be reminded that our work has a direct impact right here in our community.

**FOUNDATION MINUTE**

Conrad shared details of what is now called the "New Grants Model." The model was created when the Foundation Trust realized that improvements could be made in processes surrounding response to grant requests. We are in the final stages of the model's evaluation period, but it should be recognized that each sustainer or annual contributor is a customer of this process, and it is great to see this organization committed to finding more effective ways of ... *Doing good in the world!*

**Operation World Food Day**

Rotarians are asked to support a project seeking to collect 1,000 items for a local food pantry. Operation World Food Day, is a project led by Rotarian Victoria Kidd who learned of the event (held annually on October 16) from an article in The Rotarian Magazine. PLEASE bring canned/packaged/boxed goods to the next few meetings and visit <http://tinyurl.com/prrfqyo> for more information! The Highland Food Pantry is this year's beneficiary.

**Libba's Health Report**

Libba reported that we seem to be a healthy group overall, and she offered a tip regarding how we can stay that way. Last Saturday was Eat an Apple Day, an annual occurrence that reminds us of the health benefits of a fruit that is near and dear to the Valley's heart. Apple consumption is linked to so many health benefits, it makes us wonder why we should be eating anything else...and then we remember bacon!

**Last Week's Drawing**

Roy Schwarz was the lucky winner of \$22 last week, but he drew the ace of diamonds, leaving the pot available for YOU this week. Today's jackpot begins at \$101.
