**Our Last Program**

We had the distinct pleasure of naming long-time Rotarian **Buddy Dunlap** an **Honorary Member** of our club. Buddy was a fixture in our club since his induction in 1966 and has had a distinguished career both in Rotary and at Nationwide, where he worked for 49 years.

He and his wife hosted Rotary events at their home and Buddy won numerous honors during his time with our club. He is also a R.I. Foundation Benefactor and a multiple Paul Harris Fellow. His friends Tom Baker and Dave Goff shared fond memories of him, as well as our club's gratitude for putting Service Above Self.

**Coats for Kids**

**Good news!** 500 coats have been distributed through our **Coats for Kids** program.

**Bad News** - We could have used more!  
 All the coats had been given out by Monday, Dec 15th, so Tuesday's distribution had to be cancelled....sadly leaving some children without. Thank you to all who donated....time & money.

**Welcome New Member!**

Lori Fountain Bales was inducted into our club for the second time (she is a former member). Lori was sponsored by Nadine Pottinga (left).

**CLUB PR & MARKETING MEETING**

Last Thursday evening Don Louque and John Elrick held a brain-storming meeting aimed at promoting our club better. They presented an overview of our new more mobile-friendly website. A lot of thoughtful ideas were generated. A report will be forthcoming in the new year. If you're interested in joining the committee please see Don.

**LAST DRAWING**

Bruce Downing, our host-less visitor, won \$28 but his luck ran out when he drew the 7 of diamonds, for the Jackpot...costing him more than \$400 in winnings. We won't have any more drawings this month, so be ready to start the New Year with a big bang for big bucks.

**Health Update**

We welcomed back Terry Sinclair and hope to have Paul Frank back as soon as he recovers from hip surgery. Ozzie's wife, Jane, was especially grateful for the Big Card our club sent since she is both the wife and daughter of Rotarians.

**Libba's Health Tip**

To keep yourself relaxed and fit, Libba suggested the "yes, no, maybe" exercise every 30 minutes at work (when you don't otherwise get a break): nod your head slowly up and down, then shake it slowly side to side, and finally raise and lower your shoulders. It also helps you prepare for when your employees come asking for a raise...

**FOUNDATION MINUTE**

Conrad shared the sobering fact that the average annual income in Haiti is \$400. But thanks to help from the Rotary Club of Smyrna Beach, FL, and a Rotary Foundation grant of \$257,000, things have changed for many families there. With guidance from Valentin Abe, a PHD in agronomy, a fish hatchery was established which produces over 2 million pounds of Tilapia for domestic consumption. There are 45 employees, with another 250 families growing fish as entrepreneurs who earn an average of \$3,000 per year (instead of \$400). Another example of Rotarians Doing Good in the World.
