### WE NEED RUMMAGE SORTING HELP!

There will be a Rummage Sale Committee Meeting after our regular noon meeting this Thursday. We need to quickly discuss any last minute details and logistics. We are hoping that it will take no more than 20 mins. Questions dealing with particular issues will be identified and dealt with on a one-to-one basis so as to not hold up everyone else. We consider the whole club to be part of the Committee, so everyone is welcome to join us if only to learn what is going on.

Dave Kent announced last week, we are in **DIRE need of help sorting all of our treasures** that have been donated. This is even more true after a windfall weekend! See Dave Kent or Jean Barch for more information or just show up and lend a hand! With several mega-donations recently, we are poised for a banner year. We are working at the Armory across from Sheetz on Millwood Ave. next to the SU Business School from M-Th 5-8pm and Sat 9-noon. Bring a friend and share the fun. Maybe we'll even get a new Rotarian out of it!

### OUR PROGRAM LAST WEEK...

Dennis Lynch, president of the Shenandoah Valley Music Festival, gave a briefing on this summer's music schedule. It will feature a wide variety of artists, including Arlo Guthrie, Emmylou Harris, and several well-known rock and folk bands from the recent past. But the highlight of the summer will be the Piedmont Symphony Orchestra and their presentation of "Sergeant Pepper & the Summer of Love." The concert is on Saturday, July 22nd, and a portion of the proceeds will benefit Polio Plus. It will celebrate the summer of 1967 and will feature a combination of symphony and rock musicians playing Beatles hits from their Sgt. Pepper album and their "Magical Mystery Tour" album, both of which came out that year. It will also include hit songs by Jimi Hendrix, Cream, and others. See Nancy Davis or Byron Brill for tickets. For a full rundown of shows and information on how you can make an overnight stay out of it, visit: [www.musicfest.org](http://www.musicfest.org).

### GUATEMALA UPDATE

Diana Ketterman shared an update on the Guatemalan Children's Home that she reported on earlier this year and which she visited recently with her husband. Thanks to the donations of many of our club members, she was able to provide aptitude testing and job shadowing opportunities to many of the young adults there. She also met with the local Rotary Club and did a program on job shadowing for them. Then she matched up the students and the professionals who hosted the job sharing to help coordinate their efforts. Several of the young adult participants received awards for their high scores in the aptitude testing and all were extremely grateful for Rotary's help. And we are grateful for Diana's engagement!

### Conrad Koneczny

It is with heavy hearts we note the passing of this truly great Rotarian. Conrad's service will be at 2 pm this afternoon at Christ Episcopal Church located at the corner of Washington and Boscawen Streets. A reception will follow in the Church Parish Hall.

Memorial contributions may be made in Conrad's honor to the following organizations:

**Health Tip** - In honor of last Friday's International Affair, Libba shared the good news that wine in moderation, especially of the red variety, has a multitude of health benefits. Do your share to combat diabetes, colon cancer, heart disease, and many others by enjoying up to one 5 ounce glass per day (if you are a woman) and two 5 ounce drinks per day if you are a man. And the men said, *"Hallelujah..."*
