TODAY'S PROGRAM

Our program will be presented by Supervisory Special Agent, **Si Schiavone**, who will talk about the *Regional Drug and Gang Task Force for Northwestern Virginia*.

Polio Fundraiser Movie - "Breathe"

What a great night of fellowship we had at the **Alamo Drafthouse** for our Pre-Valentines Day Movie Night! The movie was a true love story...true love and a true story...and provoked tears throughout the theater (but it was dark so we really couldn't see the men crying). We had a great turnout of Rotarians and friends (78 people) and raised a nice sum of money for PolioPlus. Kudos to Mary Braun for her work in organizing and executing the event.

TIME TO CLEAN OUT YOUR CLOSETS!

David Kent wants your stuff! And he's even willing to come pick it up!
Thanks to Rob Frogale, the storage truck is out early this year and available at **Frogale Lumber** on Route 50 East. David has even set up a handy new box labeling system to reduce time, trouble, sorting and damage to both our goods and our club members this year.

WELCOME NEW MEMBERS

Mark Andrews is Business Relationship Manager for Doing Better Business, Inc. His business is located in Winchester and he lives in Winchester. His

sponsors are John Elrick and Jaime Karalis.

OUR LAST PROGRAM - New Member Talks

New member **Melinda Hinkle** is a true blue Frederick County gal having grown up and worked here her whole adult life. Melinda graduated from James Wood high School, Lord Fairfax Community College and worked for long time downtown business McCroy's Department Store. Most of Melinda's professional life has focused on local banking. She has worked for several small banks but ultimately landed at United Bank where she is Vice President and Branch Manager. Melinda lives in Clear Brook with her husband Bill Hinkle. Melinda is blessed with 4 sons and 7 grandchildren. Melinda also serves as a board member for the United Way. One of the reasons she joined Rotary is to participate in more community programs like what we do here. Melinda is an avid outdoors sports woman and lists hunting large game as a favorite. She cited an epoch hunting trip where she rode a horse up a mountain and managed to stay upright even when the horse fell! Please be sure to welcome Melinda to your table and get to know her better.

New member **Richard Irvin** was raised in Johnstown, Ohio where he grew up playing baseball and basketball as well as participating in theater. After high school he attended Ada University in Ada, Ohio where he played baseball. Ada is apparently notable for two things, the university and for producing leather footballs. Richard now lives in Martinsburg, WV along with his wife and their two daughters. They stay busy homeschooling their children. In his professional life Richard is a Vice President and Branch Manager for United Bank. He has worked at a total of 10 banks over the years but hopes United Bank will be the one where he retires. Richard looks forward to joining in the fun with all the Rotary activities and charitable events.
