OUR LAST PROGRAM
TWO MORE NEW MEMBER TALKS

Billy Whirley is a familiar face to a lot of our members and has been a frequent Rotary guest in the past but now is officially a member of our club. Billy started at First Bank twelve years ago and was encouraged to engage with the community. He now works for **Water Street Financial** which was spun off from First Bank. Billy raved about Water Street Financial's office location at the Old Post Office. He offered to show anyone interested the building's "secret walkway". Billy was born and raised in Purcellville. He has three children in their 20's and just last month welcomed his first grandchild. Billy commented that he was raised to respect his elders, be involved and give back to the community. He said that Rotary allows him to do exactly what he was raised to do.

Laurie Roby met Tootie Rinker at a Lion's Club event last summer and told her that she was looking to join a civic club. Tootie displayed her recruiting prowess and brought Laurie to our club. Laurie grew up in "two" New Jerseys. She spent her school months in suburbia and her summers down the shore. After spending some time at her first job making cardboard pallets Laurie's mother suggested that she find a job that had more long term opportunities so she applied to work at a bank. Laurie's mom was right. During the past 34 years Laurie says that she has held every position in a bank branch from teller to manager. She now works for **First Citizens Bank** which is the largest family controlled bank in the country. Laurie has lived up and down the east coast including seven years in Buffalo. A snowstorm that literally buried her car convinced her to head to warmer climates. She met her husband on a blind date and they have been together for 12 years. She has three children and recently celebrated her 50th birthday at Disney World.

PLANT A TREE PROJECT - WE DID IT!

At the beginning of this Rotary year the Rotary International President, Ian Riseley, asked that every Rotary club plant a tree for every Rotary member at some time throughout this Rotary year. Our club has met the challenge thanks to the help of the Handley High School Interact Club under the direction of Julia Kogut. On Sunday (Earth Day), we met at the Third Battle of Winchester Battlefield...planting 176 trees replacing the trees that were there back in 1864. A special **THANK YOU** to clubmembers who joined in -- Tom T. Byrd, Chuck Peterson, Larry Weiss (and his wife, Cathy), and Pat Kofalt.

National Drug Take-Back Day is this Saturday (April 28)

HEALTH TIP

Libba informed the club that April 19th was Garlic Day. Garlic has many health benefits. Garlic is low in calories, high in Vitamin C and B-6, reduces the risk of colds or flu, and also lowers blood pressure and bad cholesterol. In order to achieve all of these health benefits it is recommended that you consume 1 clove of garlic 2 to 3 times a day. In other words those health benefits come at an aromatic cost.

Rummage...Junk...Whatever...you got it, we need it!

David Kent informed the club that this year's sale will be a two day extravaganza of rummage. **All day Saturday, June 2nd and from 11-2 on Sunday, June 3rd.** Move in day at the armory will be Friday, May 18th please come lend a hand.

LITTLE THEATER NIGHT - Thursday, May 10

The evening will begin at **The Village at Orchard Ridge** at 5:45 pm followed by **The Explorer's Club** at 7:30 pm at the Winchester Little Theater.

Dinner will be held on the patio outside of the library in the main lobby. In case of rain, dinner will be served in the chapel. Fingers crossed we are blessed with a warm evening on the patio after this long winter!

Tickets are \$25 each and include dinner, drinks, the show, and good company! The sign up sheet will be passed around again today or you may email Katie@whiteproperties.net. A few helpers for the evening are needed: Set-Up Crew, Clean-Up Crew, Food & Beverage Attendants, Bartenders.

INTERNATIONAL AFFAIR

Tootie Rinker announced that the **Tom and Shelia Baker Tribute Fund at the Community Foundation** will be the beneficiary of this year's International Affair. Many fine restaurants will pair their foods with fine wines on **June 16th from 6-10** at Linda Coffman's home. Tickets will be available soon.
