### APPLE HARVEST FESTIVAL..... UNFORTUNATELY THE EXTREME WEATHER FORECAST FORCED US TO CANCEL....

It's unfortunate, but with vendors and activities cancelling based on the weather predictions early in the week...safety was our first priority. The committee is exploring (and already planning) other events...**MORE LATER!**

Last week Co-chairs Darla McCrary and Paul Frank gave an update on the Apple Harvest Festival. Darla and Paul showed a slide show from last year's event and gave the club a bit of the Festival's history. Now in its 43rd year overall and 4th at the Frederick County Fairgrounds the event continues to get bigger and better. This year's planned new additions were to be BubbleBall and HamsterBall...*well, maybe next year!*

During our final year at Jim Barnett Park the Apple Harvest Festival raised about \$10,000. Last year the event grossed \$61,000 and netted \$40,000. These dollars are so important to our community but in order to earn them Darla and Paul explained they need the help of EVERYONE...even family members are welcome to help out.

### GOLF TOURNAMENT

It's coming up October 1st! Mark your calendar and dig out your clubs! The beneficiary this year will be the Laurel Center. Hole sponsors are needed...see Don or Brian if you can help.

Don Louque said the golf committee is still looking for event sponsors, hole sponsors and teams for the October 1st event.

### OUR LAST PROGRAM

**Dan Whitacre** shared a little about himself and his great sense of humor during his new member talk. Dan was raised in Stephens City and attended Sherando High School before going off to James Madison.

He graduated with honors from JMU with a degree in early childhood education. Dan took a teaching job at John Kerr after graduation and quipped that he "retired" from teaching after just one year. After a year-long sabbatical touring Australia he returned to Winchester and entered the retail arena. His uncle sold him (without a family discount) Instant Replay Sports. Dan was the owner/ operator for seven years before he "burned out". He commented that he likes to think that experience gained him the equivalent of an MBA, from the school of hard knocks. Faced with another career decision Dan moved to real estate. He started working for Colony Realty in June of 2014 and this third career choice seems to be the right fit. Dan was named the company's rookie of the year and has received its top sales award multiple times. He says he loves what he is doing and loves that he can do it here in Winchester. Dan married his wife Mary Beth - a Handley grad- in 2016. He said that it was a New Year's resolution that brought him to our club. He wanted to become more active and involved in the community and was advised that Rotary was the outlet to do that. He said his experiences thus far with the club confirm that he did indeed make another wise decision.

### Puerto Rico Mission Trip

Club Rotarians and guests are invited to participate in a mission trip to provide manual labor in Puerto Rico for 5-7 days in the fall. See Paul Magness if you are interested in participating.

### TRAVEL LODGE AWARD

President Paul presented Jenny Baker with the coveted TRAVEL LODGE AWARD for the month of September. Congratulations Jenny. First Scott, then Tootie and now Jenny. We can hardly wait to see who is selected next.

**Health Report**

Libba passed along greetings and good wishes from Don Jones at Westminster. Don wishes he was still able to attend our meetings but wanted everyone to know that he thinks of them often.

**Health Tip**

Libba wowed the crowd with the fact that September 7th is National Beer Lovers Day. Libba says that beer is the world's oldest beverage and long ago clay beer mugs were made with a whistle imbedded so that a thirsty patron could notify their server when the mug is empty. Thus the creation of the phrase....*"to wet your whistle"*. Libba told us that beer does have health benefits by providing protein, vitamins and fiber. Beer can help lower the risk of diabetes, heart disease and is good for your bones. Libba advised to celebrate the day with moderation, one 12 ounce serving for women and two for men is recommended.
