TODAY

Today we'll hear from one of our club's Old Guard, Irv Shendow.

TOMORROW

The summer solstice is almost upon us: Friday, June 21 will be the longest day of 2019 for anyone living north of the equator. Technically speaking, the summer solstice occurs when the sun is directly over the Tropic of Cancer, or 23.5 degrees. The solstice also gives us the longest twilight of the year, usually about one to one and a half extra hours after sunset.

LUNCH TIME SAVE

At our last meeting the meal was in jeopardy for a brief time as there was a mix up in communicating to the Country Club the change in dates for the spring Shrimp Feed. President Paul complimented the Country Club for getting the room set up in a matter of moments and to **Dave Kelly** for being so generous and quick to respond in supplying four beautiful salads to accompany our pizza. The meal was saved just in time to honor our very special birthday guest. It is now standard operating procedure for the club president to have a local pizza establishment on speed dial.

Happy Birthday Don!

Our Last Program

A wonderful and unique birthday was celebrated at our last meeting. Just how often will we have the opportunity to celebrate the 99th birthday of an active club member? One day before his 99th birthday Don Stewart lit up the club meeting with his wit and grace and it truly was one of our more memorable gatherings. Dan Martin kicked things off by leading the chorus in a rousing rendition of Happy Birthday.

Don took the mic and simply said:

"I've enjoyed the experience and would like to enjoy 'a few' more days." Don told us that he stays physically fit by walking up to 3/4 of a mile a day. He then showed us his mental exercise routine by reciting the alphabet in reverse. Following that display he literally dropped the mic.

Dick Kent presented Don with a custom made t-shirt. Which read: **Limited Edition - 1920.**

And, a second t-shirt from Sue Rich: **It took me 99 years to look this good.**

Don joined the club in 1951, well before the majority of our members were born. **Dennis McLoughlin** reminisced about his days as president when Don was celebrating 50 years of perfect attendance. Dennis noted that in those days one had to work hard to get a make-up. He quipped that Don had once rowed ashore from a cruise for the coveted make-up.

Byron Brill wrote a note to Don and revealed a favorite late night game from District Conferences of years past.

Ken Rice and **Jennifer Stanford** spoke about Don's kindness to new members and his never ending humor.

Nick Nerangis thanked Don for a special book that he gave him years ago that remains a treasured possession just because it came from Don.

Dick Wiltshire remembered Rotarians from various generations and said, "Don you've outlived them all."

Roy Schwartz again reminded the club of the necessary attributes to join his prestigious 'old duffers' club and said Don *"you just don't qualify, you are too smart and too with it."*

Don made sure that he got the last word and remembered the very brave decision that he made as president in 1992. He cancelled the weekly meeting on Thanksgiving *"as the holiday fell on a Thursday that year."*

Don you are one in a million. You are a true inspiration to every member of our club and it is safe to say that June 6, 2019 will be remembered by the members of The Rotary Club of Winchester for many years to come.
