TODAY

Today **New President Cary** will tell us of her hopes & plans for our coming Rotary year.

TRAVELodge AWARD

It was a big day for **Cary Claytor**, in addition to becoming president of our club, she also won the coveted Travelodge award!

INTERNATIONAL AFFAIR

A toast to all those who made the 2019 International Affair of Food and Wine a success! Wonderful wines and delicious food was enjoyed by over 180 people at the event held at the "Barn" at Rosemont Manor. The committee of Rotarians and staff from Timber Ridge outdid themselves to set the tone for a great time. It was fun and the rain held off until the very end! We hope to be able to make a sizable presentation to our beneficiary, The Career and Technical Center at Timber Ridge, in the near future. *Tootie and Jenny*

Our Last Program

Our last meeting was a changing of the guard, as President Paul Magness reflected on this past Rotary year, and welcomed Cary Claytor as our new president. The meeting was attended by numerous visiting Rotarians from other Area 1 clubs.

District Governor George Karnes presented certificates and pins to our two new Paul Harris Society members, Bernie Schwartzman and Cary Claytor. Paul Harris Society members commit to giving \$1000 to the Rotary Foundation every year.

President Paul thanked the many club members who helped him with advice, support and their time. He spoke of how Rotary is an extension of the love we feel within our own families. A slide presentation highlighted some of the important work done by our club this year, including raising funds for the homeless shelter, Timber Ridge School, a walk to raise funds and awareness for Alzheimer's, and ringing the bell for Salvation Army during the holiday season. We celebrated Don Stewart's 99th birthday. We were reminded of the passing of two long-time Rotarians, Don Jones, and Bob Edwards. This year our club contributed \$40,000 to the Community Fund.

After thanking the incoming and outgoing board members and officers, Paul concluded with the quote *"let your passion be your guide and success will follow you"*.

In keeping with Rotary Tradition, all Rotary Club of Winchester past presidents in attendances formed a line in chronological order and passed the gavel along to Cary Claytor.

After being sworn in as our new president, Cary gave Paul a gift of a magnificent mullet wig, and a certificate to Village Square for him and Molly. Be on the lookout for a man in a crazy wig at Village Square.

Thank you, Paul, for your leadership this past year!

HEALTH TIP

Jennifer Stanford referred to a recent article in the Winchester Star about a disorder called Dromomania, in which a person has such a strong need to travel that it affects their family, work and social relationships.

Even if you are only an occasional traveler, here are some tips to ensure the best outcome: purchase travel insurance, carry a minimum of electronic devices, walk with your head up, keep your wallet and valuables in a front pocket, carry only a small amount of cash, drink alcohol only in moderation, if you are hiking bring a water filter, when traveling internationally register with the embassy. Happy trails!

JAMAICA IN NOVEMBER ANYONE?

Byron Brill reports: We are planning a trip to **Negril, Jamaica**, to look at potential new projects. We will be staying at a small resort in Negril on the beach, **Travelers Beach Resort**, you can view this on their website. This is a Rotary family owned resort. The rate for a room is in the \$85.00 - \$105.00 per night range, we are not doing all inclusive. We have found their restaurant is very nice and reasonable.

Our travel date is October 31, 2019 returning on November 14, 2019. We plan to work with the **Negril Rotary Club** while there, this could include painting at a school and working in the Soup kitchen of Negirl. We usually fly out of BWI on Southwest to Montego Bay, fares are around \$500 round trip.
