

ROTARY 4-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

What's Coming Up?

September 19-20 - Apple Harvest Arts & Crafts Festival
Golf Tournament postponed until Spring
October Club Elections - To be Announced
March 19-20 - District 7570 Conference at The Homestead

August 20th Hybrid Meeting:

Paul and Darla will give us an update on the historical perspective of our Apple Harvest Festival.

Aug 27th - Our speaker will be **Clifford Thies** from Shenandoah University. Dr. Thies is an economist and will be talking about how the pandemic has affected our community and our world from an economic perspective.

September 3 - We will be have a Zoom presentation from **Leslie Blevins** at district about membership. This will be a very interesting session as we will be hosting the Area One Clubs in the Zoom call - it will be our first Area One collaborative meeting.

September 10 - We will be hearing from **Tammy Bjelland**, the CEO of Workplaceless, who will talk with us about the positives and negatives of remote working and how to make it work - both for managers and employees.

MEETING STRUCTURE: ZOOM & Country Club

President Dick informed the club that the hybrid meeting structure will continue for the foreseeable future. Don't forget to RSVP if you will be attending at the country club. Distancing and masks required when not eating.

IDEAS FOR ENGAGEMENT

President Dick shared some ideas that the executive committee is considering to increase club engagement during this difficult time when it is challenging to get our members together. He mentioned possible events at the Drive-In Theater in the fall or the Alamo Theater in the winter. Ideas for a virtual wine tasting and virtual auction are being explored. The executive committee would appreciate hearing any other ideas that members have to keep the club engaged in 2020.

APPLE HARVEST

Darla McCrary encouraged every club member who feels safe and comfortable to join the effort to put on this year's Apple Harvest Festival September 19 and 20.

Darla reported that her committee is putting together protocols to adhere to the Governor's requirements. If you are able to volunteer for the event please contact Darla as soon as possible.

Our Program Last Week

Katrina McClure treated the club to a fascinating new member talk. Katrina left the club members speechless with her beautiful essay and delivery. She eloquently described her upbringing in California, her experiences at the University of Pennsylvania and Yale graduate school, her transformative trip to Ethiopia in her early 20's and her distinguished decades long career in public health.

Katrina moved to Winchester to be closer to her husband's family and in 2019 became the Executive Director of the Sinclair Health Clinic. She spoke about her goals of increasing cancer screenings and mental health treatments for the clinic's patients. Katrina said that she was motivated to join Rotary to give back to all of those people behind the scenes who helped her achieve her many accomplishments.

HEALTH REPORT

Libba let the club know that **Tootie Rinker** is recovering from cancer surgery. She is in good spirits and would love to hear from her fellow Rotarians.

President Dick told the club about **John Copenhagen's** recent biking accident. Thankfully John avoided serious injury but he can also use our good wishes for a speedy recovery.

Tommy Kremer took a very bad fall last week having hit his head resulting in him being in the ICU for the past week. His wife, Carolyn, asked that we pray for his speedy and complete recovery.

HEALTH TIP

Libba informed the club about **Homeless Animal Day on August 15th** and all of the great health benefits to pet ownership. Libba suggested any pet from dogs to fish can help prevent loneliness and depression.
