They highlighted the multitude of new digital resources that are now available to library card holders. These include on-line access to consumer magazine sites like Consumer Reports.

Also available are E magazines, Mango language courses to learn over 70 foreign languages, various research tools and search engines, and even a site, Novelist Plus, to help choose your next book!

Adrienne also highlighted a site called Universal Class where patrons can choose from over 500 courses ranging from photography to physics.

The bottom line, the Handley Regional Library is constantly changing to the meet the

ANNUAL GOLF TOURNAMENT

Don Louque provided a weather report worthy of the Farmer's Almanac. It will rain on whatever day Rotary schedules the golf tournament. Ours was rained out this past Monday, the 7th and was moved to Columbus Day, the 14th. We lost a few teams due to the postponement so late entries encouraged. We had beautiful weather. Kevin & Don will fill us in today on the results!

JAMAICAN ME WANT TO SERVE

There are nine volunteers signed up to go to Jamaica the first two weeks of November and space for more. If you are interested see Byron Brill. The board is providing funding to help purchase dictionaries to distribute and dental equipment to use during their mission. Byron's goal is to have two trips to the island each year.

We will be working with the Negril Rotary Club while there providing help in the form of everything from soup kitchen service to painting and child care. Cost should be little more than \$1,000 and entertainment is cheap.

The travel date is October 31, 2019 returning on November 14, 2019. If you have any interest or need additional information, please call Byron or Kathy Brill at 540-664-1834 or email: kkanter8@gmail.com

HANDLEY INTERACT CLUB - For the 3rd year our club has partnered with the Handley Interact Club to observe October as **"Substance Abuse Prevention Month"**. This year the club focused on the health hazards of vaping...in particular Juul. Each day last week the club posted a significant fact and asked students to post on their sites. To encourage the posting of these facts, a daily drawing was done for a gift certificate provided by our club. Signs were posted in all restrooms. **Many thanks to our Interact Club, Advisor Julia Kogut, and the Handley Administration for talking part in this prevention effort.**

SHORT NOTICES

>> Kit Molden advised members to view the Netflix documentary on Bill Gates which highlights his commitment to the fight against polio.

>> **Winchester Day Preschool** will be holding their Cash Party at the Eagles club on Baker Lane on October 26. Tickets are available for \$35 per person. Your ticket includes dinner, dessert, drinks and a chance to win \$1,000.

>> Dan Whitacre was congratulated by President Cary for winning this month's Travelodge Award.

>> Michelle Thomas reminded members that their Rotary license plate holders are available for pick-up at the sign-in table.

>> Speaking on behalf of the **Old Duffer's Society**, Roy called for a vote to induct **Bernie Schwartzman** into their not so secret society. Roy related that Bernie was aboard the first ever fully automated United Airlines flight, United #001. Bernie immediately denied any knowledge (or memory?) of the event...

DOING GOOD IN OUR AREA

President Cary's **"Who's in the News"** mentions today went to Heather Hoverdale, John Lamanna, Tricia Simpson, John Huddy, Dave Miles, and letter to the Editor author Irv Shendow. Keep up the **"Good Work"**!

HEALTH REPORT

Don Stewart is coming along nicely and hopes to return to Rotary in a few weeks. In the meantime, he would welcome a card or call. Nick Nerangis is under the weather with something Libba described as an "uncomfortable condition."

Health Tip

Libba informed us that Tuesday is **National Wash Your Hands** day. Washing your hands regularly helps reduce your risk for colds by 20% and digestive bugs by 30%. Proper hand washing takes the same amount of time as singing Happy Birthday. Afterwards, remember to use a paper towel when touching the bathroom doorknob. Germs are most often found on everyday items like mobile phones, keyboards, money, and credit cards.

OUR LAST DRAWING

Darla McCrary won \$19 in our last raffle, but missed the jackpot when she drew the 2 of Clubs. This week the jackpot is \$523! **TODAY we will draw until we find a winner....hurry, get your tickets and good luck!**

HAPPY BIRTHDAY

President Cary thanked the club for her birthday greetings and relayed the contents of a congratulatory e-mail she received from the Rotary Foundation that highlighted Rotary projects across the globe. She reminded the club that Rotary brings hope, help and happiness to the globe. She also gave another plug for the upcoming Rotary Leadership Institute session tomorrow at Lord Fairfax Community College.
