WHO WE ARE

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world.

Since our founding in 1921, The Rotary Club of Winchester has been dedicated to doing good locally and in the world. As Winchester's premier service organization, The Rotary Club of Winchester is comprised of some of the region's most prominent community leaders – men and women with diverse backgrounds in business, professions, religions, civic and non-profit organizations. Our members actively strengthen the Winchester community through our service, fellowship and by example. We gather at weekly meetings and other functions to fulfill our commitment to the Rotarian ideals of friendship, fellowship, and service to others.

If this sounds like you, Rotary is the right place for you.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

CORPORATE AND ASSOCIATE MEMBERSHIP

Corporate Membership:

To attract and retain a qualified and diverse professional base within the community. One corporate member joins and pays full dues, including meal costs. In this structure, others from the organization can attend the meetings, join in service projects and serve on committees. Only the designated person with the RI number can be eligible for executive leadership. If other employees attend at the same time as the designated person, each additional person is charged for the meal. This structure works best with one other employee, but up to three employees may be designated to attend. Whereas a Corporate Membership will have the same attendance requirement as a Regular Membership, any employee's attendance at a Rotary meeting shall count for the corporate member's attendance record. Corporate Members will be tracked separately for awards purposes and have a separate category for annual attendance.

Associate Membership:

Associate Memberships will be available to those interested in joining The Rotary Club of Winchester who are age 35 or younger. The \$150 initiation fee would be waived, and the young professional would also receive a 20% discount on their quarterly dues. The Rotary Club of Winchester will recognize an Associate Member for two years. The club will have no more than 5% of their membership listed as Associate Members.
